HOME SUPPORT WORKER TRAINING

The Home Support Worker (HSW) Readiness Program is a 7-week, skills-focused training pathway designed to prepare participants for entry-level roles in Ontario's home and community care sector. Delivered through hands-on learning instead of exams, this program builds practical caregiving abilities, workplace readiness, and safety awareness.

What You'll Learn

- Daily living support skills
- Effective communication with clients and families
- Dementia care fundamentals
- Infection prevention and control
- Palliative and end-of-life support
- Workplace readiness and professionalism

Credentials You'll Earn

- Stackable micro-credentials
- First Aid/CPR certification
- Learnist Certificate of Completion
