| <b>Job Search Tools Mastery</b><br>Learn how to navigate the Canadian job market using today's most effective job search platforms. This workshop equips participants how to search strategically, set up job alerts, manage applications, and explore remote and flexible job opportunities while avoiding job-search burnout. | <b>Workplace Communication</b><br>This interactive session helps participants strengthen the communication skills including professional verbal and written communication practices, workplace etiquette, and strategies for clear, confident interaction with colleagues and supervisors.          | <b>Remote Ready Skills</b><br>This workshop equips participants with essential skills to succeed in remote and hybrid roles. Topics include virtual collaboration, productivity tools, time management, and building professional visibility while working remotely.                                           |
| <b>Resume that Stands Out</b><br>Participants will learn how to develop a strong, Canadian-style résumé that highlights transferable skills and meets employer expectations. The workshop covers ATS-friendly formatting, customization strategies, and tips for tailoring résumés to specific job postings.                    | <b>Work Safe: Employment Rights</b><br>This session provides an overview of employee rights and responsibilities in Ontario. Participants will learn about employment standards, workplace fairness, contracts, and where to seek help when workplace issues arise.                                 | <b>Networking and Relationship Building</b><br>An interactive workshop focused on building meaningful professional connections. Participants learn practical networking strategies, how to access the hidden job market, LinkedIn, volunteering, and professional relationships to support their career goals. |
| <b>Career Licensing Navigator</b><br>This workshop supports internationally trained professionals in understanding pathways into regulated professions in Canada. Participants will learn about credential assessment, licensing requirements, bridging programs, and alternative career options while pursuing licensure.      | <b>Canadian Job Market GPS</b><br>Gain a clear understanding of how the Canadian job market works. This session introduces NOC and TEER systems, in-demand occupations, and strategies for aligning your international experience and transferable skills with Canadian job opportunities.          | <b>Work Safe: Health and Safety at Work</b><br>Learn the fundamentals of workplace health and safety in Canada. Participants will understand their rights and responsibilities, injury prevention practices, and how to identify and report workplace hazards appropriately.                                   |
| <b>Interview like a Pro</b><br>This practical workshop helps participants prepare for job interviews. Learn how to answer common and behavioral interview questions using the STAR method, master interviews practicing mock interview.                                                                                         | <b>Career Reboot &amp; Reinvention</b><br>An empowering session designed for individuals seeking a fresh career direction. Participants explore transferable skills, career pivot strategies, and practical steps to rebuild confidence and create a clear, realistic career action plan.           | <b>Working in Canada 101</b><br>Participants learn about workplace culture, communication norms, employee rights, and practical strategies for successful workplace integration, including volunteering opportunities.                                                                                         |
| <b>Essential Career Skills</b><br>This workshop focuses on the core skills needed to succeed in today's evolving job market. Topics include adaptability, digital and AI-related workplace tools, professional mindset, and practical skills that support long-term employability.                                              | <b>Personal Branding &amp; Professional Image</b><br>This workshop helps participants define and communicate their professional identity effectively. Learn how to strengthen your personal brand, enhance your professional image, and optimize your LinkedIn profile for the Canadian job market. | <b>Call (416) 266-1913 to learn more.
